

# Indigenous Learning Outcomes

*What are they and how do they work?*

A collaboration between the  
Indigenous community and  
Confederation College

(2010 – 2018)

# This is experiential learning

You will need:

The Indigenous Learning Outcomes

The guidelines document

# The Indigenous Learning Outcomes (ILO)

1. Relate principles of Indigenous knowledge to career field
2. Analyze the impact of colonialism on Indigenous communities
3. Explain the relationship between land and identity within Indigenous societies
4. Compare Indigenous and Canadian perceptions of inclusion and diversity
5. Analyze racism in relation to Indigenous peoples
6. Generate strategies for reconciling Indigenous and Canadian relations
7. Formulate approaches for engaging Indigenous community partners

# Negahneewin Council

This Indigenous community Council provided leadership in the creation of the Indigenous Learning Outcomes.

The Council is representative of the local Indigenous community and is comprised of educators, and advocates in social justice.
